

## **WELA girl matric top achiever**

*WELA girls, Thulethu Dyala, receives a laptop for being a top achiever in Matric*

Sipho Tandani, municipality mayor presented Thulethu Dyala and three other students with much needed laptops in recognition of their high achievers in maths and science last year from Ndlambe's formerly underprivileged schools.

Thulethu matriculated from Ukhanyo Senior Secondary in Alexandria and is currently a first year Electrical Engineering student at NMMU. True to being a top achiever, she received a merit award and is currently on a Merseta bursary.

Thulethu said: "No matter what, our underprivileged backgrounds should not be holding us back from achieving excellent academic results."
